

NORWALK RIVER WATERSHED ASSOCIATION [NRWA] Invitation to Membership & Annual Renewal

You're invited to join, or continue your annual support for, the Norwalk River Watershed Association (NRWA) to promote learning, improvement and enjoyment of this shared drainage area. Whether your check is big or small, whether you can volunteer professional expertise or volunteer assistance to any number of needed areas - from River Rangers to hike leaders, writers, researchers, speakers, or fundraisers - you will be a part of an exciting regional effort to improve the Norwalk/Comstock/Silvermine watersheds for the benefit of all area residents, property owners, and businesses. You will also be part of a movement to ensure that our freshwater resources and essential habitats will be improved and protected.

NRWA members are invited to free lectures, programs, and workshops. They receive NRWA's newsletter *In the Mainstream* - which lists upcoming activities and updates members on pertinent problems, progress, and projects within the watershed - as well as other educational material and training opportunities. Riparian Society members - those who donate \$100 or more - are invited to special events during the year.

For more information on how to join our efforts, please contact the Norwalk River Watershed Association at 877-NRWA-INFO [877-679-2463] or visit www.norwalkriver.org.
